

Comparing Sources about Pocahontas

We will look at different sources about the life of Pocahontas. The chart below helps you look at these sources critically by comparing and contrasting what they say. If a source agrees with a statement, put a plus (+) in the box. If it disagrees, put a minus (-). If the source does not address that issue, shade in the box. As you near the end of the unit, think of another statement that at least two sources comment on, add it at the bottom, and mark the chart appropriately.
